## Why a horse

A horse is the projection of people's dreams about themselves -  
strong, powerful, beautiful - and it has the capability of giving us  
escape from our mundane existence

**Other notes** Please remember to clean up after yourselves, especially  
your horses hair and manure. Be more careful with manure rakes I have to  
replace about six a year due to mishandling, whereas Ramon uses one a year.

## **!!!! Helmets !!!!**

**Minors are to wear helmets at all times when riding.**  
Nannette and Simon strongly recommend the wearing of  
helmets for anyone riding, we have seen on many occasions  
how a helmet has reduced injuries suffered by riders  
taking an unexpected fall
