Simon

Well known for his shaggy appearance, Taxi, left with Woody to their owners new home in the state of Washington. Taxi will be missed by many of us here plus the birds will miss the ample supply of hair for their nests

A sad note.

A dear four legged
friend of ours passed
away this weekend,
Fernado.

He will be dearly
missed by his long time
owner, Hilda.

Somewhere...Somewhere in time's Own Space

There must be some sweet pastured place

Where creeks sing on and tall trees grow

Some Paradise where horses go,

For by the love that guides my pen

I know great horses live again.
